Invitation

The Society of Construction Law Turkiye is pleased to announce its 4th Annual Construction Law Conference, which will be held in Istanbul, Turkiye, on 11 June 2026.

The event will be held in person and will consist of a full day of sessions.

Our annual conference aims to bring together construction law professionals and industry leaders from Turkiye and around the world, while also engaging key stakeholders from the local market, including contractors, employers, engineers, and consultants.

Following the success of our first annual event in May 2022, the sold-out 10th International Society of Construction Law Conference in 2023, and the 3rd Annual Construction Law Conference held in Istanbul on 19 June 2025 with approximately 200 industry professionals in attendance, we are confident that the 4th Annual Conference will once again offer a high-level platform for knowledge exchange and professional networking.

We are therefore pleased to invite applications for sponsorship for the 4th Annual Construction Law Conference, as outlined in this brochure. Please note the additional benefits in packages included for the European Society of Construction Law Conference to be held again in Istanbul on 23-24 October 2026.

We firmly believe that this event will present an exceptional opportunity to support the continued development of construction law in Turkiye, while providing valuable exposure to leading experts and organisations, both locally and internationally.

We look forward to the opportunity to collaborate with you in making this event a success.

Yours faithfully,

Yasemin Çetinel
President, Society of Construction Law Turkiye

Why Sponsor?

Following its first annual construction law conference in May 2022 in Istanbul with more than 180 participants in a full-day event, the Society of Construction Law Turkiye hosted the 10th International Society of Construction Law Conference in Swissotel the Bosphorus on 18-20 October 2023 with attendance of 280 industry professionals on each day.

With this success, the Society of Construction Law Turkiye held its 2nd Annual Construction Law Conference in Istanbul on 26 September 2024 again in a full-day event and more than 210 industry professionals attended the event.

Following this momentum, the Society of Construction Law Turkiye organized its 3rd Annual Construction Law Conference in Istanbul on 19 June 2025, welcoming approximately 200 industry professionals for another full-day, high-level professional gathering.

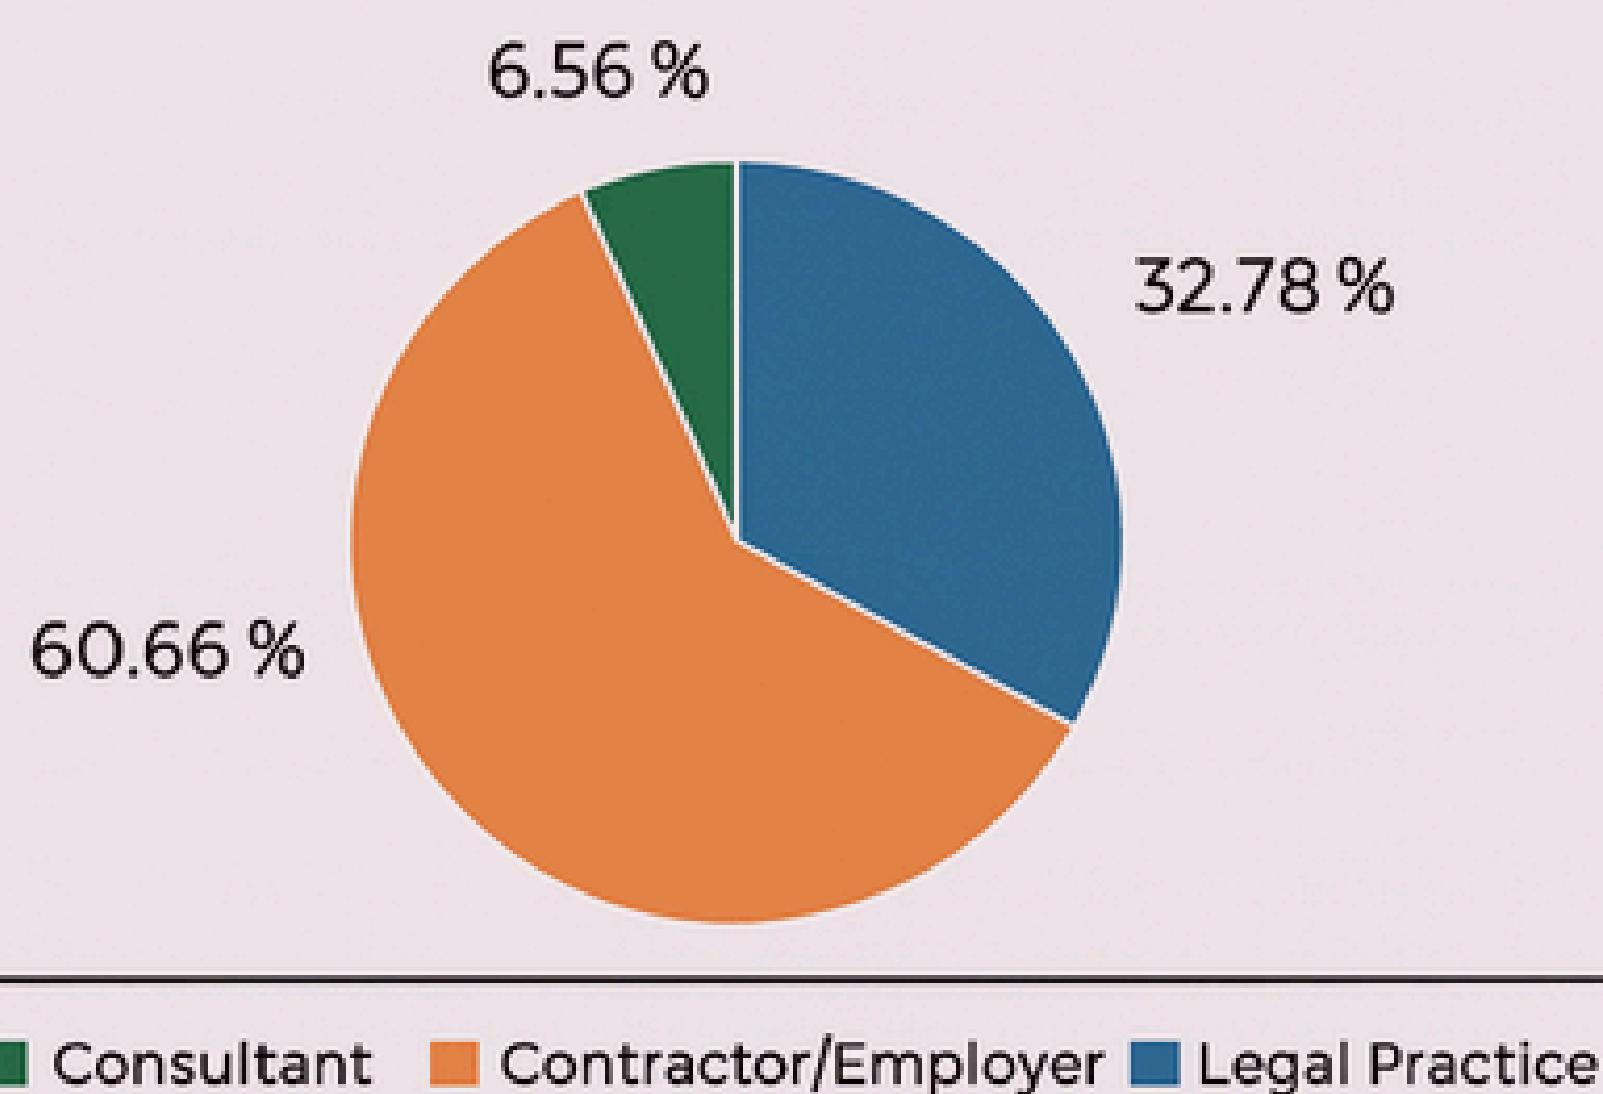

It is worth noting that we have many repeating sponsors continuing to support us during our events and we hope to keep our existing sponsors together with the addition of new sponsors to broaden our audience and recognition of our events.

We are confident that this event will also receive a significant interest from the industry and sponsorship to this event will provide an excellent opportunity to promote your brand. Sponsorship also allows identification of your brand as a leading player in the construction law market in Turkiye.

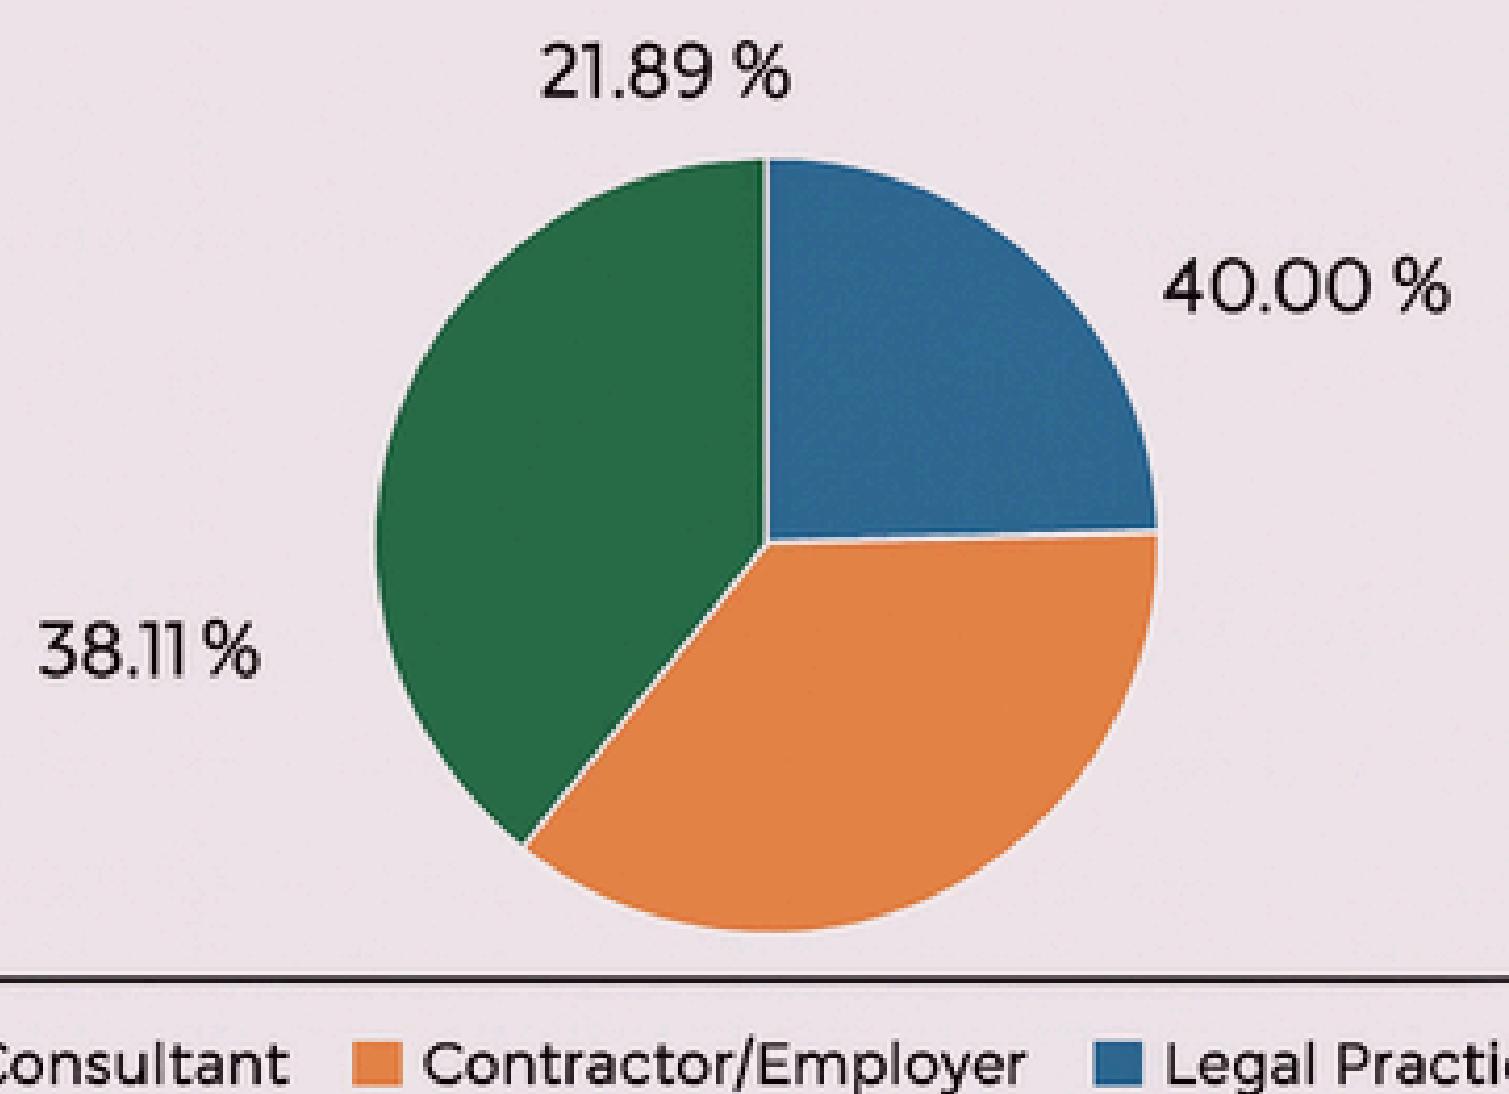

We once again anticipate attendance from a broad spectrum of industry players from Turkiye and abroad.

We have also provided below the approximate distributions of our participants in our events from 2022 to 2024.

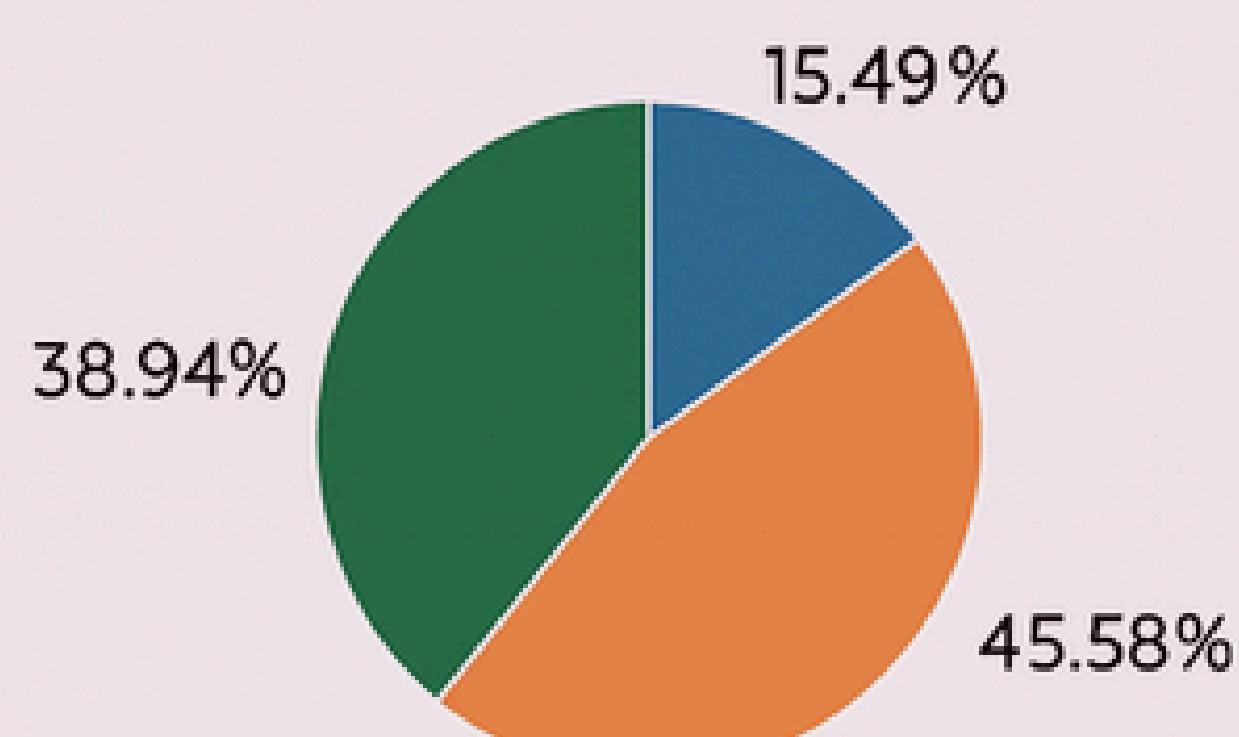

2022 (Excluding Sponsor)

2023 (Excluding Sponsor & Speakers)

2024 (Including Sponsor & Speakers)

Sponsorships contribute to the promotion, planning and operation of our annual event(s), reducing the overall cost of managing the event(s) and enabling a higher level of participation of delegates through efficient planning of registration fees.
